EXPERIENTIAL RETAIL

Introduction

GMR Interchange is a one-stop urban lifestyle destination that is setting a new benchmark in experiential retail. Encapsulating shopping, entertainment, restaurants and year-round concerts and events, this retail hotspot is set to open in 2024.

The sky's the limit

The magnificent open-to-sky architecture, exceptional 6-11 meters in-store height and vast carpet area enable retail stores and F&B brands to curate novel concepts in tune with the evolving market.

A retail extravaganza

The high-street retail experience will come to Hyderabad with renowned anchor brands such as RBL, Bestsellers, INOX and Decathlon at GMR Interchange.

Endless entertainment

The unique, first-in-India entertainment centre for families will also have 11 cinema screens along with gourmet dining.

Certainty of convenience

The strategic and ample surface parking spaces along with smart traffic management will ensure a seamless experience for our guests.

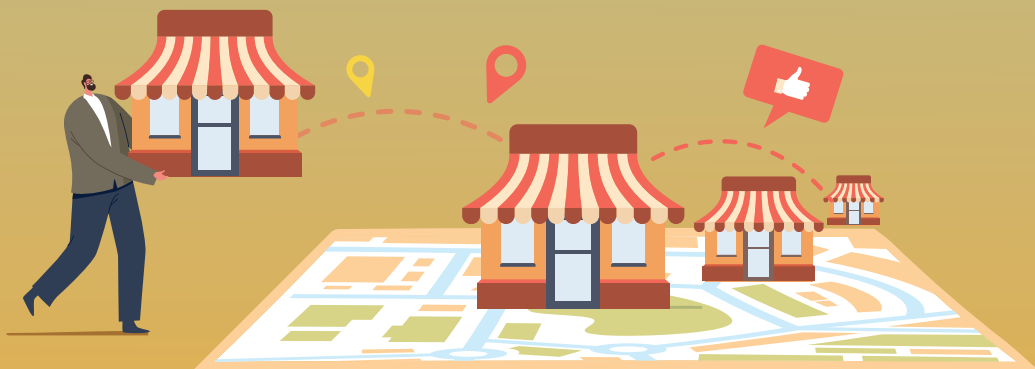

GMR AeroCity Hyderabad

It is a multi-use, mixed-asset integrated ecosystem that is creating an exciting, new urban landmark in Hyderabad. India's largest greenfield aerotropolis, AeroCity is nestled in the vicinity of Hyderabad International Airport and boasts multi-modal connectivity.

GMR Interchange

At the heart of GMR AeroCity Hyderabad is GMR Interchange, a unique retail hub that offers a premium shopping, dining and entertainment experience. The dream of live-work-play is brought to life at Interchange with everything under one roof. With experiential retail at its core, GMR Interchange is truly the next step in retailtainment.
